VERIFICATION OF BENEFITS FORM

The Canyon Medical Center Billing Department requires you present your ID and Insurance Card in order to bill your insurance. In order to ensure an efficient billing process, it is highly recommended that all patients complete this insurance verification form before seeing the doctor. To avoid our 48-hour cancelation fee, we strongly encourage you to inquire about your benefits. As a service, we bill most insurance carriers directly but do not bill Out of Network Benefits. Providing correct insurance information is the responsibility of the patient and therefore, patients are ultimately responsible for all charges resulting from treatment provided by their physician.
If your insurance changes, please present your insurance card at the next visit and submit a new Verification of Benefits form.

Please allow at least 1 hour for completing this form

IF YOU HAVE A SECONDARY INSURANCE, PLEASE SUBMIT AN ADDITIONAL VERIFICATION OF BENEFITS

Ask with whom you are speaking. This becomes very important if there are any problems with coverage.
